As a student at _____, I agree to:

- 1) Listen to and follow the rules at my school about COVID-19.
- 2) Follow safety and hygiene rules at my school, like washing my hands, using hand sanitizer, social distancing (staying 6 feet away) from other people, and cleaning things I share with my peers.
- 3) Wear a mask on campus in all locations and at all times when one is required.
- 4) Tell school staff if I am feeling sick.
- 5) Let school staff check to see if I am feeling healthy.
- 6) Tell school staff as soon as possible if I was around another person who has COVID-19.
- 7) Quarantine or be isolated if the school tells me I have to.
- 8) Pay attention to and participate in trainings provided to me about COVID-19.
- 9) Follow school COVID testing requirements and treatment recommendations.
- 10) Cooperate with any contact tracing efforts by the school. Contact tracing is identifying people who may have come into contact with an infected person.
- 11) Follow additional rules if I am living in a residence hall (a dorm), which will be provided to you.
- 12) Follow all school move-in and move-out procedures.

These rules are very important and will help reduce the spread of COVID-19. Even with these rules in place, the schools cannot guarantee a virus-free environment. I have read and understand these rules and agree I will follow them. As a parent/guardian, I have read these rules, explained them to my student, and agree my student will follow them. If my student does not follow them, the student may be referred for student discipline. I further understand that if I have questions, I can raise them with the appropriate school official.
