The Taking and Using of Students' Photographs

89 III. Adm. Code: 830.10a. Department of Rehabilitation Services employees will not be permitted to take or use a photograph of a student which would demean or embarrass the student or would not be considered by reasonable viewers to represent the student in a positive or favorable manner. Photographs of a student will only be taken or used by a DORS employee when the permission of the student's parent/guardian, or the student has been obtained. b. The superintendent or designee shall not authorize any person(s) not employed by ORS to photograph a student on campus, nor will the school provide a photograph to such a person(s) unless the superintendent or designee knows the purpose for which the picture will be used and has assurance that the person(s) will observe the standards as set forth in subsection a. Insofar as possible, photographs of a student will only be taken or used when the permission of the student's parent or guardian, or the student (when the student is over 18) has been obtained.
